Hi Mathy – Per Barry, are you able to call in for the 9:15am and use it for a pre-meet for this 10AM meeting with Stan? I know the community tour starts at 9AM but let us know!

Stan I am available and have spoken to both the SF DD and Removal Manager who is traveling with Shaun to Durango this morning. Mathy is on travel but may elect to call in.

Thanks

Subject: Update on Colorado spill

Mathy, I would like to meet at 10:00 in my office for a general update on the Colorado spill. I am not looking to get involved in operations! My objectives are 1) to ensure that we are providing all assistance we can to Region 8; and 2) that we have a communications strategy in place. Others welcome to join as they are available.

Thanks.

Stan
